

24th April 2018

To whom it may concern

This letter confirms that with effect from the date at the top of this letter, in recognition of our good working relationship, TOK ELECTRONICS Ltd. of Bolshoy Sampsonievskiy pr., 45A, Saint-Petersburg, 194044 Russia is authorised to sell products from Devlin's Sifam Control Knobs product range in the following regions:

Russia

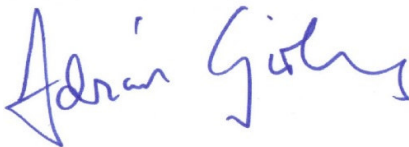

Typically, TOK ELECTRONICS Ltd. will be entitled to buy at distributor prices and they will be selling to end users with a reasonable mark-up to cover their infrastructure, sales and marketing, engineering, stock holding and logistics costs. They buy and sell on their own account and they are not authorised to commit Devlin Electronics contractually to third parties in any way.

In turn, Devlin Electronics may ask TOK ELECTRONICS Ltd. to follow up leads Devlin may receive directly from the region.

This agreement is non-exclusive but currently Devlin Electronics is not looking for any other re-seller in the regions.

This agreement is valid for one year from the date at the top of this letter and, subject to a continued good working relationship, is likely to be renewed on the anniversary each year.

Adrian Girling

Managing Director
Devlin Electronics Ltd.
